sale, pursuant to the State General Obligation Bond Law, of the bonds authorized by this part, the Housing Finance Committee created pursuant to Section 35524 shall be continued in existence. For the purposes of this part, the Housing Finance Committee is “the committee” as that term is used in the State General Obligation Bond Law.

(b) The committee may adopt guidelines establishing requirements for administration of its financing programs to the extent necessary to protect the validity of, and tax exemption for, interest on the bonds. The guidelines shall not constitute rules, regulations, orders, or standards of general application and are not subject to Chapter 3.5 (commencing with Section 13340) of Part 1 of Division 3 of Title 2 of the Government Code.

(c) For the purposes of the State General Obligation Bond Law, the Department of Housing and Community Development is designated the “board” for programs administered by the department, and the California Housing Finance Agency is the “board” for programs administered by the agency.

53549. Upon request of the board stating that funds are needed for purposes of this part, the committee shall determine whether or not it is necessary or desirable to issue bonds authorized pursuant to this part in order to carry out the actions specified in Section 53545, and, if so, the amount of bonds to be issued and sold. Successive issues of bonds may be authorized and sold to carry out those actions progressively, and are not required to be sold at any one time. Bonds may bear interest subject to federal income tax.

53550. There shall be collected annually, in the same manner and at the same time as other state revenue is collected, a sum of money in addition to the ordinary revenues of the state, sufficient to pay the principal of, and interest on, the bonds as provided herein, and all officers required by law to perform any duty in regard to the collections of state revenues shall collect that additional sum.

53551. Notwithstanding Section 13340 of the Government Code, there is hereby appropriated from the General Fund in the State Treasury, for the purposes of this part, an amount that will equal the total of the following:

(a) The sum annually necessary to pay the principal and interest on, bonds issued and sold pursuant to this part, as the principal and interest become due and payable.

(b) The sum which is necessary to carry out Section 53553, appropriated without regard to fiscal years.

The board may request the Pooled Money Investment Board to make a loan from the Pooled Money Investment Account, in accordance with Section 16312 of the Government Code, for purposes of this part. The amount of the request shall not exceed the amount of the unsold bonds which the committee has, by resolution, authorized to be sold for the purpose of this part, less any amount withdrawn pursuant to Section 53553. The board shall execute any documents as required by the Pooled Money Investment Board to obtain and repay the loan. Any amount loaned shall be deposited in the fund to be allocated in accordance with this part.

53553. For the purpose of carrying out this part, the Director of Finance may, by executive order, authorize the withdrawal from the General Fund of any amount or amounts not to exceed the amount of the unsold bonds which the committee has, by resolution, authorized to be sold for the purpose of carrying out this part. Any amounts withdrawn shall be deposited in the fund. Any money made available under this section shall be returned to the General Fund, plus the interest that the amounts would have earned in the Pooled Money Investment Account, from money received from the sale of bonds which would otherwise be deposited in that fund.

53554. The bonds may be refunded in accordance with Article 6 (commencing with Section 16780) of the State General Obligation Bond Law. Approval by the electors of this act shall constitute approval of any refunding bonds issued pursuant to the State General Obligation Bond Law.

53555. Notwithstanding any provisions in the State General Obligation Bond Law, the maximum maturity of any bonds authorized by this part shall not exceed 30 years from the date of each respective series. The maturity of each series shall be calculated from the date of each series.

53556. The Legislature hereby finds and declares that, inasmuch as proceeds from the sale of bonds authorized by this part are not “proceeds of taxes” as that term is used in Article XIII B of the California Constitution, the disbursement of these proceeds is not subject to the limitations imposed by that article.

53557. Notwithstanding any provision of the State General Obligation Bond Law with regard to the proceeds from the sale of bonds authorized by this part that are subject to investment under Article 4 (commencing with Section 16470) of Chapter 3 of Part 2 of Division 4 of Title 2 of the Government Code, the Treasurer may maintain a separate account for investment earnings, order the payment of those earnings to comply with any rebate requirement applicable under federal law, and may otherwise direct the use and investment of those proceeds so as to maintain the tax-exempt status of those bonds and to obtain any other advantage under federal law on behalf of the funds of this state.

53558. All money derived from premium and accrued interest on bonds sold pursuant to this chapter shall be transferred to the General Fund as a credit to expenditures for bond interest.

The Treasurer shall serve as chairperson of the committee. Two Members of the Senate appointed by the Senate Committee on Rules, and two Members of the Assembly appointed by the Speaker of the Assembly, shall meet with and provide advice to the committee to the extent that the advisory participation is not incompatible with their respective positions as Members of the Legislature. For the purposes of this chapter, the Members of the Legislature shall constitute an interim investigating committee on the subject of this chapter and, as that committee, shall have the powers granted to, and duties imposed upon, those committees by the Joint Rules of the Senate and the Assembly. The Director of Finance shall provide assistance to the committee as may be necessary. The Attorney General of the state is the legal adviser of the committee.

101022. (a) The bonds authorized by this chapter shall be prepared, executed, issued, sold, paid, and redeemed as provided in the State General Obligation Bond Law (Chapter 4 (commencing with Section 16720) of Part 3 of Division 4 of Title 2 of the Government Code), and all of the provisions of that law, except Section 16727 of the Government Code to the extent that it conflicts with this part, apply to the bonds and to this chapter and are hereby incorporated into this chapter as though set forth in full within this chapter.

(b) For purposes of the State General Obligation Bond Law, the State Allocation Board is designated the “board” for purposes of administering the 2006 State School Facilities Fund.

101023. (a) Upon request of the State Allocation Board, the State School Building Finance Committee shall determine whether or not it is necessary or desirable to issue bonds authorized pursuant to this chapter in order to fund the apportionments and, if so, the amount of bonds to be issued and sold. Successive issues of bonds may be authorized and sold to fund those apportionments progressively, and it is not necessary that all of the bonds authorized to be issued be sold at any one time.

(b) A request of the State Allocation Board pursuant to subdivision (a) shall be supported by a statement of the apportionments made and to be made for the purposes described in Sections 101011 and 101012.

101024. There shall be collected each year and in the same manner and at the same time as other state revenue is collected, in addition to the ordinary revenues of the state, a sum in an amount required to pay the principal of, and interest on, the bonds each year. It is the duty of all officers charged by law with any duty in regard to the collection of the revenue to do and perform each and every act that is necessary to collect
that additional sum.

101025. Notwithstanding Section 13340 of the Government Code, there is hereby appropriated from the General Fund in the State Treasury, for the purposes of this chapter, an amount that will equal the total of the following:

(a) The sum annually necessary to pay the principal of, and interest on, bonds issued and sold pursuant to this chapter, as the principal and interest become due and payable.

(b) The sum necessary to carry out Section 101028, appropriated without regard to fiscal years.

101026. The State Allocation Board may request the Pooled Money Investment Board to make a loan from the Pooled Money Investment Account or any other approved form of interim financing, in accordance with Section 16312 of the Government Code, for the purpose of carrying out this chapter. The amount of the request shall not exceed the amount of the unsold bonds that the committee, by resolution, has authorized to be sold for the purpose of carrying out this chapter. The board shall execute any documents required by the Pooled Money Investment Board to obtain and repay the loan. Any amounts loaned shall be deposited in the fund to be allocated by the board in accordance with this chapter.

101027. Notwithstanding any other provision of this chapter, or of the State General Obligation Bond Law, if the Treasurer sells bonds pursuant to this chapter that include a bond counsel opinion to the effect that the interest on the bonds is excluded from gross income for federal tax purposes, subject to designated conditions, the Treasurer may maintain separate accounts for the investment of bond proceeds and for the investment earnings on those proceeds. The Treasurer may use or direct the use of those proceeds or earnings to pay any rebate, penalty, or other payment required under federal law. Any other action with respect to the investment and use of those bond proceeds required or desirable under federal law to maintain the tax-exempt status of those bonds and to obtain any other advantage under federal law on behalf of the funds of this state.

101028. For the purposes of carrying out this chapter, the Director of Finance may authorize the withdrawal from the General Fund of an amount not to exceed the amount of the unsold bonds that have been authorized for the purpose of carrying out this chapter. Any amounts withdrawn shall be deposited in the 2006 State School Facilities Fund consistent with this chapter. Any money made available under this section shall be returned to the General Fund, plus an amount equal to the interest that the money would have earned in the Pooled Money Investment Account, from proceeds received from the sale of bonds for the purpose of carrying out this chapter.

101029. All money deposited in the 2006 State School Facilities Fund, that is derived from premium and accrued interest on bonds sold shall be reserved in the fund and shall be available for transfer to the General Fund as a credit to expenditures for bond interest.

101030. The bonds may be refunded in accordance with Article 6 (commencing with Section 16780) of Chapter 4 of Division 4 of Title 2 of the Government Code, which is a part of the State General Obligation Bond Law. Approval by the voters of the state for the issuance of the bonds described in this chapter includes the approval of the issuance of any bonds to refund any bonds originally issued under this chapter or any previously issued refunding bonds.

101031. The Legislature hereby finds and declares that, inasmuch as the proceeds from the sale of bonds authorized by this chapter are not “proceeds of taxes” as that term is used in Article XIII B of the California Constitution, the disbursement of these proceeds is not subject to the limitations imposed by that article.

CHAPTER 3. CALIFORNIA COMMUNITY COLLEGE FACILITIES

101034. (a) The total amount of bonds authorized to be issued and sold pursuant to Chapter 1 (commencing with Section 101000), bonds in the total amount of one billion five hundred seven million dollars ($1,507,000,000), not including the amount of any refunding bonds issued in accordance with Section 101039, or so much thereof as is necessary, may be issued and sold to provide a fund to be used for carrying out the purposes expressed in this chapter and to reimburse the General Obligation Bond Expense Revolving Fund pursuant to Section 16724.5 of the Government Code. (b) It is the intent of the Legislature that the California Community Colleges annually consider, as part of their annual capital outlay planning process, the inclusion of facilities that may be used by more than one segment of public higher education (intersegmental), and, that on or before May 15 of each year, those entities report their findings to the budget committees of each house of the Legislature.

(c) Pursuant to this section, the Treasurer shall sell the bonds authorized by the Higher Education Facilities Finance Committee established pursuant to Section 67335 at any different times necessary to service expenditures required by the apportionments.

(c) The proceeds of the bonds issued and sold pursuant to this chapter shall be available for the purpose of funding aid to the California Community Colleges for the construction on existing or new campuses, and their respective off-campus centers and joint use and intersegmental facilities, as set forth in this chapter.

to the ordinary revenues of the state, an amount necessary to pay
the principal of, and interest on, the bonds each year. It is the duty of all
officers charged by law with any duty in regard to the collection of the
revenue to do and perform each and every act which is necessary to collect
that additional sum.

from the Pooled Money Investment Account or any other approved form
of interim financing, in accordance with Section 16312 of the Government
Code, for the purpose of carrying out this chapter. The amount of
the request shall not exceed the amount of the unsold bonds that the committee,
by resolution, has authorized to be sold for the purpose of carrying out this chapter.
The board, as defined in subdivision (b) of Section 101034.5, shall

fund to be allocated by the board in accordance with this chapter.

101037. Notwithstanding any other provision of this chapter, or
of the State General Obligation Bond Law, if the Treasurer sells bonds
pursuant to this chapter that include a bond counsel opinion to the effect
that the interest on the bonds is excluded from gross income for federal
tax purposes, subject to designated conditions, the Treasurer may maintain
separate accounts for the investment of bond proceeds and for the
investment earnings on those proceeds. The Treasurer may use or direct
the use of those proceeds or earnings to pay any rebate, penalty, or other
payment required under federal law or take any other action with respect to
the investment and use of those bond proceeds required or desirable under federal
discretion to maintain the tax-exempt status of those bonds and to obtain
any other advantage under federal law on behalf of the funds of this state.

Director of Finance may authorize the withdrawal from the General Fund
of an amount not to exceed the amount of the unsold bonds that have been
authorized by the Higher Education Facilities Finance Committee to be
sold for the purpose of carrying out this chapter. Any amounts withdrawn

Outlay Bond Fund consistent with this chapter. Any money made available
under this section shall be returned to the General Fund, plus an amount
equal to the interest that the money would have earned in the Pooled
Money Investment Account, from proceeds received from the sale of bonds
for the purpose of carrying out this chapter.

(b) Any request forwarded to the Legislature and the Department
of Finance for funds from this bond issue for expenditure for the purposes
described in this chapter by the California Community Colleges shall be
accompanied by the five-year capital outlay plan that reflects the needs
and priorities of the community college system and is prioritized on a
statewide basis. Requests shall include a schedule that prioritizes the
seismic retrofitting needed to significantly reduce, in the judgment of the
particular college, seismic hazards in buildings identified as high priority
by the college.

101038. All money deposited in the 2006 California Community
College Capital Outlay Bond Fund that is derived from premium and
accrued interest on bonds sold shall be reserved in the fund and shall be
available for transfer to the General Fund as a credit to expenditures for
bond interest.

The bonds, when issued, shall constitute a valid and binding obligation of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of the principal of, and interest on, the bonds as the principal and interest become due and payable.

(b) It is the intent of the Legislature that the University of California and the California State University annually consider, as part of their annual capital outlay planning process, the inclusion of facilities that may be used by more than one segment of public higher education (intersegmental), and, that on or before May 15 of each year, those entities report their findings to the budget committees of each house of the Legislature.

(c) Pursuant to this section, the Treasurer shall sell the bonds authorized by the Higher Education Facilities Finance Committee established pursuant to Section 67353 at any different times necessary to service expenditures required by the apportionments.

101051. (a) The bonds authorized by this chapter shall be prepared, executed, issued, sold, paid, and redeemed as provided in the State General Obligation Bond Law (Chapter 4 (commencing with Section 16720) of Part 3 of Division 4 of Title 2 of the Government Code), and all of the provisions of that law, except Section 16727 of the Government Code to the extent that it conflicts with this part, apply to the bonds and to this chapter and are hereby incorporated into this chapter as though set forth in full within this chapter.

(b) For the purposes of the State General Obligation Bond Law, each state agency administering an appropriation of the 2006 University Capital Outlay Bond Fund is designated as the “board” for projects funded pursuant to this chapter.

(c) The proceeds of the bonds issued and sold pursuant to this chapter shall be available for the purpose of funding aid to the University of California, the Hastings College of the Law, or the California State University, or college shall include a schedule that prioritizes the seismic retrofitting of any funds that are required to be made available for rehabilitation or construction of joint-use facilities for public schools and that result or are derived from the sale of bonds issued on or before January 1, 2006, shall be
transferred to the State Allocation Board and may be apportioned by that board for the purposes of Article 10.6 (commencing with Section 17077.40) of Chapter 12.5 of Part 10 of the Education Code.

(b) Any funds remaining after the transfer required under subdivision (a) that conform to the description set forth in that subdivision shall be transferred to the State Allocation Board and may be apportioned by that board for any of the purposes of Chapter 12.5 (commencing with Section 17070.10) of Part 10 of the Education Code.
